Milestone

1979	Company founded- As First Rubber Industry Co.
1985	An Jee Rubber Co., Ltd. Established, San Yes Automotive Industry Co., Ltd. Invest in.
1988	Establishment of New Factory.
1997	Qualified for ISO 9002 Quality Assurance System.
1995	Introduction of brake hose manufacturing.
1998	New plant purchased.
1999	Established An Kee Industry Co., Ltd. In new plant. Brake hoses fitting, and cylinder piston producing by own.
2002	Introducing of brake hose manufacturing to SAE standard.
2001	An Kee Industry Co., Ltd. Qualified for QS-9000 Quality Assurance System.
2002	Expand and established Fuzhou An Jee Automobile Accessory Co., Ltd.. In Fujian, China.
2003	Fuzhou An Jee Automobile Accessory Co., Ltd. Qualified for ISO 9002 Quality Assurance System.

Operation Concept

AN JEE has established since 1985. Our professional running items are the maintenance products for the cars and motorcycles, and rubber parts.

Our goals are to improve our enterprisingly, make the operation reasonably and keep the equipments automatically. Especially, we focus on the safety parts for the brakes. We understand that we are taking the responsibilities; therefore, we pay our main attention to the quality control all the time. We try to increase our employee's standard and improve the quality control system again and again in order to make sure of the quality to satisfy the customers and make them have confidence in us. Now, our sales markets include America, Australia, Japan, Southeastern Asia, Middle Asia and Taiwan domestic. In the future we will make more new creations, apply more advanced technologies and equipments to produce the best quality, and provide our best service to serve the customers to repay our thanks for the patronage.

However, due to the progress of the society, how to create another new project are the most needed. Therefore, AN JEE has made a complete change to system to meet the requirements of the shock. AN JEE will always offer the best service and quality to the customers and keep on making the new products in the future.

Products

Rubber Parts For Brake & Clutch System

Hydraulic Brake & Clutch Repair Kits.

Disc Brake Seal Kits.

C. V. Joint Boots.

Brake Hoses.
